### OLD WORLD VS. NEW WORLD

*A wonderful introductory in to understanding wine making and how styles can be so varied. This excellent tasting theme will show you just how much of an impact Regions can have on any humble grape! - A great one for Blind Tastings in teams*

### HIDDEN GEMS

*A Bedales favourite - here we have access to over 700 lines of wine, a lot of which we source from the wine makers directly. And we pride ourselves on curating a wine list based around indigenous grapes that will surprise you!*

### WINE & CHEESE PAIRING (£40pp)

*With our resident Cheese Expert, our Wine & Cheese game has hit the roof. We can't get enough of those vines & rinds! Here to demonstrate the transformation the perfect Cheese can have when teamed with its Wine counterpart and explain to you why! Answering along the road those age-old questions; 'Can I eat the rind?' & 'Why on earth do sommeliers slurp their wine?!'.*

### NOT YOUR LOCAL PLONK (£50pp+)

*Attached to your more premium wines, always comes associated a more premium price tag. In this tasting, we're willing you not to break the bank in order to enjoy a selection of the finest wines. Rare vintages, established wine makers, and a line up to make any oenophile green with envy!*

### WINES ON THE BIG SCREEN

Well, we have, and we want to share the experience with you. Wine is an invitation to travel through your imagination. Find yourself in the shoes of your favourite on screen heroes through the power of wine!*

### THE LOST GRAPES

*Come taste "The Lost Grapes" of the wine world: indigenous grapes that are over shadowed by their international counterparts, varieties nearly lost or grapes that did not find their full potential until relocated! Offbeat, memorable & engaging: a workshop not to be missed!*

### I KNOW WHAT YOU DRANK LAST SUMMER

*From Prosecco to Pinot Grigio, we know a few of the classic grape varietals that don't go amiss to anyone's Summer drinking go-to. In contrast we'd like to share with you the awesome comparatives that we can't live without this season!*
